**Electricity  
Price**

|                       |         |           |           |
|-----------------------|---------|-----------|-----------|
| Average Monthly Use   | 500 kWh | 1,000 kWh | 2,000 kWh |
| Average Price per kWh | 22.1¢   | 9.1¢      | 15.2¢     |

This price disclosure is based on the following components:

|                                    |                                              |
|------------------------------------|----------------------------------------------|
| Base Charge:                       | \$0                                          |
| Energy Charge:                     | 16.0872¢ per kWh                             |
| Monthly Bill Credit:               | \$125 per billing cycle of at least 1000 kWh |
| Monthly TDU Delivery Charges (\$): | ** TDU charges passed through as billed      |
| Per kWh (¢) TDU Charges:           | ** TDU charges passed through as billed      |

The EFL average prices include pass through TDU Delivery Charges as of the issue date of this EFL.

**\*\* You can view current TDU delivery charges at: [4ChangeEnergy.com/tdu-charges](https://www.4changeenergy.com/tdu-charges)**

Your average price per kWh may vary each month based on your Monthly Billed kWh Usage, TDU Delivery Charges Per Month, and TDU Delivery Charges Per kWh which will be passed through to you as billed from the Transmission and Distribution Utility ("TDU").

In addition, the average prices listed above do not include facility relocation fees or other charges ordered by a municipality. For more information, see [www.4changeenergy.com/municipal-fees](https://www.4changeenergy.com/municipal-fees).

**Other Key Terms  
and Questions**

*This is a paperless product. All bills, contract-related notices and other documents will be sent electronically via email including but not limited to contracts, disclosures, contract expiration notices and disconnect notices. | Type of Product                                                                                                 | Fixed Rate                                                                                                                                                                                                                                                                                                                                   |
| Contract Term                                                                                                   | 12 months                                                                                                                                                                                                                                                                                                                                    |
| Do I have a termination fee or any fees associated with terminating service?                                    | Yes. A termination fee of \$20 multiplied by the number of months remaining on the term of your Contract will apply.                                                                                                                                                                                                                         |
| Can my price change during contract period?<br>If my price can change, how much will it change and by how much? | Yes. Your price can change if there are changes in TDU charges; changes to the Electricity Reliability Council of Texas or Texas Regional Entity administrative fees charged to loads; or changes resulting from federal, state, or local laws or regulatory actions that impose new or modified fees or costs that are outside our control. |
| What other fees may I be charged?                                                                               | For a full list of fees please see the "Pricing and Fees" section of your Terms of Service.                                                                                                                                                                                                                                                  |
| Is this a pre-pay or pay in advance product?                                                                    | No                                                                                                                                                                                                                                                                                                                                           |
| Does the REP purchase excess distributed renewable generation?                                                  | No                                                                                                                                                                                                                                                                                                                                           |
| Renewable Content                                                                                               | 9% or 100%, depending on your selection of 4Change Renewable Energy Option.                                                                                                                                                                                                                                                                  |
| The statewide average for renewable content is                                                                  | 33%                                                                                                                                                                                                                                                                                                                                          |
